POLO GOLD

HEAVY DUTY CLEANER & DEGREASER

-  **Readily Biodegradable to RJ 4351.2**
-  **Phosphate Free**
-  **No hard scrubbing**
-  **Heavy duty**

Polo Gold is a readily biodegradable, phosphate free heavy duty cleaner and degreaser specifically formulated from natural citrus base. *Polo Gold* loosens and dissolves grease, grime and dirt effectively and safely.

Polo Gold is specifically designed for the food service industry and is safe for use on all interior and exterior hard surfaces including aluminium, steel, laminate and all painted surfaces.

Polo Gold is particularly effective as a vehicle wash in hot or cold water, and as a heavy duty cleaner in workshops, factories and food preparation areas. *Polo Gold* is extremely effective for cleaning:

- | | | |
|----------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------|
|  Vehicles |  Machinery |  Stove tops |
|  Ovens |  Smoke extractors |  Barbecue grills |

Directions for use:

For Vehicle Washing

One part *Polo Gold* to 20 parts water.

For Heavily Soiled Floors

One part *Polo Gold* to 15 parts water.

For Food Processing Areas

One part *Polo Gold* to 30 parts water.

For Driveways

Use *Polo Gold* neat, leave to soak 2-3 minutes, scrub and rinse.

For General Spray & Wipe

One part *Polo Gold* to 30 parts water.

For Ovens & Grills

Wash with hot water, then foam or spray *Polo Gold*, leave for five minutes, rinse with water.

Note: Do not use the product undiluted on aluminium surfaces.
