ORANGE SUPER BASE

OSB

 **Biodegradable**

 **Phosphate Free**

Polo Orange Super Base is a citrus based cleaner suitable for all household cleaning needs.

Polo OSB can be used as a general cleaner, a degreaser, a detergent or even as a soap. *Polo OSB* was developed specifically for cleaning where safety, versatility and biodegradability are of great importance.

Polo OSB has a natural orange fragrance, which effectively masks unwanted odours. It also is pH neutral and phosphate free.

Polo OSB can be used for a wide range of cleaning such as glass, stainless steel, aluminium, timber, plastic, linoleum, concrete and all types of food equipment. *Polo OSB* may even be used as a carpet spot remover.

Polo OSB can be used to reduce the amount of detergents currently in the household. Because the product is pH neutral it may be used on the body as a soap or hand cleaner. *Polo OSB* can be used in top-loading washing machines.

Directions for use:

For Vehicle Washing

One part *Polo OSB* to 200 parts water.

For Floors

One part *Polo OSB* to 30 parts water for heavily soiled floors. For routine cleaning dilute 1:200.

For Food Processing Areas

One part *Polo OSB* to 30 parts water.

For Grease Cutting

Use *Polo OSB* at 1:5 with water, leave to soak 5 minutes, scrub and rinse.

For Cookware

Very soiled, dilute one part *Polo OSB* to 5 parts water. For routine cleaning dilute 1:20.
