# SUPERSAN

## COMMERCIAL GRADE NO RINSE SANITISER

*Supersan* is specially formulated for effective disinfecting and sanitising qualities.

*Supersan* is a blend of quaternary ammonium compounds and alcohols to provide commercial grade efficacy economically.

*Supersan* is used neat on a wide range of surfaces such as tiles, paint, stainless steel, and ceramic.

Use *Supersan* for all general sanitising and disinfecting purposes in offices, hotels, clubs, commercial buildings, factories:

- |   |  |   |
|---|--|---|
|  Washrooms |  Toilets          |  Urinals |
|  Showers   |  Change rooms     |  Drains  |
|  Sinks     |  Garbage disposal |  Bars    |

### Directions for use

#### For General Sanitising & Disinfecting

One part *Supersan* to 20 parts water.

#### For Heavy Sanitising & Disinfecting

*Supersan* can be used in its concentrate form.

#### For Light Floor Mopping

20 mL (1-2 capfuls) *Supersan* in half a bucket of hot water.

Note: direct contact with prescribed goods must be prevented. Treated surfaces must be adequately drained before resuming work.
